Re: Duane Arnold Energy Center Walk Through

When: Wednesday, April 11<sup>th</sup>, 2018 – 6:00 pm to 9:00 pm

Where: Johnson County Fairgrounds Building C, 4261 Oak Crest Hill Road SE  
Iowa City, IA 52246

As in years past, we will be conducting the annual exercise of the Duane Arnold Energy Center's (DAEC) evacuation plan. DAEC is Iowa's only Nuclear Power Plant. Johnson County is considered a Host County and is designated to host up to 30,000 people should there ever be an incident at the Palo facility that required evacuation of the emergency planning zone (EPZ). This drill also provides an opportunity to exercise our (ICS) incident command system, amateur radio backup communications system and radiological monitoring and decontamination as well as our sheltering intake processes.

Dinner will be served at 6 PM and the evening should be wrapped up by 9 PM.

Please email [travis.beckman@jecc-ema.org](mailto:travis.beckman@jecc-ema.org) by April 1<sup>st</sup> to confirm your attendance so we can have an accurate head count for meals.
