

Johnson County Skywarn Net 18 Sept. 2022

Dodd, John J

**JOHNSON COUNTY SKYWARN NET 18 SEPTEMBER JULY 2022**

The net was called shortly after issue of a severe thunderstorm warning that included parts of Johnson County. At about 6:39 (L) one mobile station encountered dime to quarter-sized hail on highway 22 near Riverside IA as well as some small (1-2" diameter) branches on roadway. This report was relayed to NWS/DVN by landline. No other reports were received by the net and it stood down at 8:28 PM. following expiration of the warning. No severe weather was encountered, and no reports were made to NWSA second warning was issued at 8:34 PM, but no net was called, at least in part because the warned part of the county was out of range of any of our spotters.
